

# Codex4SMEs x Time to Pitch

# The Context

**The Interreg project Codex4SMEs** (Companion diagnostics expedited for small and medium-sized businesses) plans to improve healthcare by enhanced adoption of Personalized Medicine in North-West Europe. Codex4SMEs will establish a transnational network of nine partners and two sub-partners from seven countries and expedite the development of the SMEs' products in the field of Cdx.

It offers the SME's the opportunity to pitch their project in front of investors in Palais Brongniart, Paris, in partnership with EIT Health Summit 2019.

# Our proposition

The Pitch & Win offer is a blended learning program, which aims to help SME's to pitch on December 4th.

## Objectives

- Know how to structure a dynamic and effective pitch
- Learn how to create a captivating and emotional presentation using the storytelling method
- Learn how to create impactful slides
- Practice public speaking & be more self-confident
- Know how to adapt their message to their public
- Learn how to deliver the key message and show their technological strengths to the jury, experts and investors.

## Vidéos tutorielles

- What is a Pitch?
- The ingredients: the W<sup>3</sup>: the Why
- The W<sup>3</sup>: the What
- The W<sup>3</sup>: the Who
- Build a narrative structure: the Script W

## Outils

- Download the Script W (tool to build the narrative structure)
- UPSLIDE : create impactful slides

# Pitch writing

Draw on storytelling tools to captivate your audience

## Theory:

Sell facts by storytelling them /  
Why and how to create emotion through your pitch?

## Tools:

7 storytelling tips on how to start your pitch well

## Practice:

Defining what's at stake  
and finding your Attention Getter /  
Storycards or Powerpoint Karaoke

# The narrative structure

Using the Winning Pitch method  
to gain impact

## Theory:

Locomotive & wagons /  
Capture, captivate, catch / Left brain & right brain /  
Warm up & Projection

## Tools:

The W<sup>3</sup>: defining your project's DNA (Why/What/Who) /  
The W Script / The Check Pitch

## Practice:

Build the narrative structure  
of one or several pitch(e)s

# Slide design

Build slides that are serving your speech

## Theory:

The Ten Commandments for slides /  
Winning 3 : Catch the eye, Give meaning, Handle the mic / Going  
from autocue slides to slides  
that hand you the mic

## Tools:

UPSLIDE, the keys to impactful slides  
(One One One Slide / Graphic charter /  
Slide to pitch vs slide to send)

## Practice:

Use already existing slides and rebuild them  
to make them instantly clear and memorable

# Public speaking

Embody your speech to generate engagement

## Theory:

Understanding the pillars on which successful public speaking relies / Acting and storyteller techniques

## Tools:

The 3x3 of public speaking (Mental, Physical, Connection) / The mixing console

## Practice:

Role plays and case studies give participants an opportunity to train / Exercises are proposed individually according to each person's areas for improvement / All speeches are filmed with the participants' own smartphones
